

HOLISTIC PHILOSOPHY

Our goal is to support the whole person. We provide integrated care designed to meet each consumers' changing needs and maximize their independence, self-responsibility and community engagement. Through our dedicated staff, supporters and community network, we offer an environment that nurtures members' behavioral, physical, economic, social, and spiritual well-being.

*"PsyGenics helps me deal with the past to prepare me for the future. They help make me stronger and more independent."

PsyGenics helps individuals of all ages access quality behavioral health services and supports

As a premier provider for Detroit Wayne Integrate Health Network (DWIHN), PsyGenics offers a full array of services for you or your loved one. PsyGenics believes in the highest quality standards and has earned full accreditation by the Commission on Accreditation of Rehabilitation Facilities (CARF).

Our Mission *The mission of PsyGenics is to improve the health and wellness of our community by delivering quality behavioral health services to individuals and families.*

PsyGenics understands the value of an integrated health care delivery system. To provide a higher quality of care and promote better health outcomes, PsyGenics delivers seamless care under one roof for members and their families. The services include:

Case Management

Supports and resources focused on a self-advocacy and personal responsibility.

Nursing Services

Medical services to assist in the integration of members physical and mental health needs.

Mental Health Counseling

Individual and family driven therapy services.

Peer Services

Support and mentoring services focusing on individual empowerment.

Psychiatric

Care focused on a member's mental health needs.

Speech & Occupational Therapy

Services that help develop and improve the skills needed for day-to-day life and work.

WE ARE HERE FOR YOU

PsyGenics' Behavioral Health Home (BHH), Your Wellness Connection, aims to bridge the gap between physical, mental, and social services and supports for adults and children diagnosed with mental illness. These services are available as a benefit for Medicaid, Healthy Michigan Plan, and MI Child enrollees. We believe that every individual deserves comprehensive and compassionate care.

Through our BHH program we offer:

Comprehensive Care Management

Ensures tailored support for each member's unique needs.

Care Coordination

Streamlines services for seamless access and continuity of care.

Health Promotion initiatives

Empowers members to prioritize their well-being and make informed choices.

Comprehensive Transitional Care

Guides smooth transitions between different levels of care for optimal member outcomes.

Individual and Family Support

Provides a nurturing environment for personal and familial growth.

Referral to Community & Social Services

Connects individuals with vital resources and support networks within their community.
